

Hopewell Health Centers, Inc.
in partnership with the Ohio Department of Mental Health and Addiction Services and
Ohio Department of Job and Family Services present

TRAUMA INFORMED FAMILY ENGAGEMENT

Participants will identify the six guiding principles to trauma informed care, the importance of family engagement as well as strategies for the implementation of trauma informed family engagement practices. Participants will also identify the positive impact trauma informed family engagement has on families, children, and communities.

50 participants each day.

Trainings are being provided online in an interactive webinar on Go To Meeting
for **free!**
